Contact person in matters related to the filing system	Marjo Viitala Teollisuustie 7, 33330 Tampere, Finland tel. +358 (0)10 5100 tietosuoja@kaukokiito.fi
Name of filing system	Newsletter register
Purpose of personal data processing	The purpose of the register is to advertise and enable the controller organisation's services. The provided data (email address and possible contact details and other personal data provided in the message or its appendices) are used for creating and maintaining customer relationships as well as for the other communication needs of the controller. The legal basis for the processing is the legitimate interest.
Legitimate interest basis	Communication with the organisation's customers, stakeholders and potential customers as well as marketing and sales. The legitimate interest of the controller to process the collected and used personal data is based on the direct marketing needs and the freedom to pursue a business. According to the EU General Data Protection Regulation, direct marketing is a legitimate interest of a controller.
Categories of personal data in question	Name, email address, represented company
Recipients and recipient groups	The controller's employees and outsourcing partners, where applicable (Kaukokiito's information management, marketing partners), and communication parties.
Concent	Giving consent in the newsletter tool is as easy as withdrawing it.
Data content of filing system	The personal data register includes the following information: - First name and last name of the person - Represented company - Email address
Regular data sources	Data is collected from email messages received from the customer. Data may also be collected from other stakeholders, for example, from mass communication, messaging groups, forwarding and similar communications events. The data is not disclosed outside the controller organisation or for the use of its partners, except to the newsletter system provider or when required by the legislation. Personal data is not disclosed outside the European Union, unless it is necessary for ensuring the technical implementation of the controller or its partners. The personal data of the data subject are disposed of upon the user's request, unless otherwise required by the legislation, customer relationship

	management, open invoices or recovery actions.
Storage time	The newsletter register is permanent, but the data subject may request the removal of their data from the register by sending an email to tietosuoja@kaukokiito.fi.
Regular disclosure of data	<p>The mailing list data can only be accessed by the controller, with the exception of situations in which an external service provider is used either to produce an added value service or support a credit decision.</p> <p>The personal data of the data subject are disposed of upon the user's request, unless otherwise required by the legislation, customer relationship management, open invoices or recovery actions.</p>
Transferring data outside the EU or the EEA	Personal data is not disclosed outside the European Union, unless it is necessary for ensuring the technical implementation of the controller or its partners.
Filing system's principles of protection A: Manual material	Documents containing manually processed customer information (e.g. printed emails or their appendices) are stored, after the initial processing, in a locked and fire-safe storage premises. Only designated employees who have signed non-disclosure agreements have the right to process manually recorded customer information.
Filing system's principles of protection B: Electronically processed functions	<p>Only the organisation's designated employees and employees of companies operating on behalf of the organisation have the right to use the email and maintain its information. Each designated user has their own personal IDs and passwords. Each user has signed a non-disclosure agreement.</p> <p>The system is protected by a firewall, which provides protection for external contacts to the system.</p> <p>Access to multi-purpose devices, such as scanners, and data possibly stored in them is limited, where applicable.</p>
Rights of the data subject	<p>According to the General Data Protection Regulation (GDPR), data subjects have the right</p> <ul style="list-style-type: none"> to obtain information on the processing of their personal data of access to their data to rectification of their data to the erasure of their data and to be forgotten to restrict the processing of their data to data portability to object to the processing of their data not to be subject to a decision based solely on automated processing. <p>The data subject has the right to request the restriction of the processing of their data; for example, if the personal data contained in the register is incorrect. Contacts to be submitted to the person responsible for the register.</p> <p>The data subject has the right to access their personal data and request the rectification or disposal of their personal data. The requests can be submitted to the register contact person.</p> <p>If you act as the contact person for a company or organisation, your data cannot be removed during this period.</p>
